Dear Sir/Madam,

**Bradken Limited (ASX Code: BKN)
Dividend Reinvestment Plan Pricing**

Following the completion of the Company's Dividend Reinvestment Plan ("DRP") pricing period, the price of the shares to be issued to participants in the DRP has been set at A\$7.2276 per ordinary share.

The price has been determined in accordance with the DRP terms and conditions applicable to the interim dividend of 20.0 cents per ordinary share for the six month period to 31 December 2012.

The price was calculated as the average of the daily volume weighted sale price for shares of the Company sold on the Australian Stock Exchange and Chi-X Australia during the 5 Business Day pricing period commencing on Wednesday, 27 February 2013 (being 2 business days after the record date) and ending on Tuesday, 5 March 2013.

To offset dilution through the issue of new shares, as announced on Friday, 15 February 2013, a share buy-back will be undertaken and the new shares are expected to be issued to DRP participants on or about Thursday, 14 March 2013.

Yours sincerely,

David Chesterfield
Company Secretary
